Emergency Procedures:
24hr Emergency No. 0800 CHEMCALL (243 6225)
Australia 1800 127 406 Other locations +64 4 917 9888

Vehicle
Switch off engine and electrical equipment. Keep people away and warn traffic. Check for spills/leaks. Call emergency services.

Spill
Contain and collect spillage. Prevent product entering waterways, drains and confined areas. Dispose of contaminated material at an approved landfill or use as prescribed on the label.

Fire
Use media and methods appropriate to combustible material involved. Fertiliser is soluble in water. Waste water should be contained. Prevent run-off from entering waterways, drains and confined areas.

First Aid Actions:
Call a POISON CENTRE or doctor/physician if you feel unwell. If exposed of concerned, get medical advice/attention. If medical advice is needed, have product container or label at hand.

If swallowed
Rinse mouth.

If in eye
Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.

If on skin
Wash with plenty of soap and water. If skin irritation occurs, get medical advice/attention. Wash contaminated clothing before reuse.

If inhaled
Remove to fresh air and keep at rest in a position comfortable for breathing.
