# Trace-it Total™

Complete micronutrient product for prevention and correction of trace element deficiencies. Apply as Foliar or Fertigation application.

Contains: Boron 15g/kg, Copper 4.9g/kg, Nitrogen 63g/kg, Manganese 12g/kg, Iron 50g/kg, Magnesium 12g/kg, Molybdenum 0.5g/kg, Zinc 40g/kg, Sulphur 141g/kg.

#### APPLICATION RATES:

Crop	Kg per ha	Min water per ha	Recommendations
Avocados	1	500L	Apply at spring bud development and during spring flush, if required.
Brassicas	1	200L	Apply at 4-9 leaf stage, during onset of stem extension or prior to head development.
Canola	1	200L	Apply at 4-9 leaf stage and during stem elongation.
Carrots	1	200L	Apply as required, 10-14 days apart, when sufficient leaf area to intercept spray.
Cereals	1	200L	Apply between 3 leaf and flag leaf stage. Apply 10-14 days later if required.
Citrus	0.75	200L	Apply during spring and/or summer/autumn flush. Apply 10-14 days following initial application if required.
Grapevines	1	500L	1-2 applications at least 10-14 days apart, prior to flowering. Also, 1-2 applications at least 10-14 days apart, between fruit set and ripening.
Kiwifruit	1	500L	1-2 applications at least 10-14 days apart, prior to flowering. Also, 1-2 applications at least 10-14 days apart, between fruit set and ripening.
Lettuce	0.5	200L	Apply as required at least 10-14 days apart, from 10-14 days after emergence until 3/4 of final size.

Crop	Kg per ha	Min water per ha	Recommendations
Maize	2.5	200L	Apply at 4-6 leaf stage.
Olive	1	500L	Apply at bud break, calyx opening and post-harvest.
Onions	1	200L	Apply when sufficient leaf area to intercept spray and again 10-14 days later.
Pipfruit	1	500L	Apply 2-3 applications as required, at least 14 days apart. Do not apply during flowering, or during the first six weeks after fruit set. Do not apply closer than one month prior to harvest.
Potatoes	1	200L	Apply 10-14 days post 100% emergence and reapply as required, at least 10-14 days apart.
Stone fruit	1	500L	Apply pre-flowering and then as required after fruit set with at least 7-10 days between applications. Also apply immediately post harvest if required. Do not apply during flowering.
Tomato (Field)	1	200L	Apply when plants are 15cm high. Reapply if required 10-14 days later.
Turf	1	200L	Apply as necessary, at least 3 weeks apart.

#### TOXIC WARNING:

Causes serious eye damage and mild skin irritation. May cause more serious health issues with long term exposure if appropriate PPE is not used. Harmful to aquatic life and terrestrial vertebrates – use in a controlled manner.

#### FIRST AID:

If exposed, concerned or if symptoms persist: Get medical attention/advise. If medical advice is needed, have product container or label at hand.

**IF SWALLOWED:** Rinse Mouth. Call a POISON CENTRE or Doctor if you feel unwell.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTRE or doctor/physician.

**IF ON SKIN:** Wash with plenty of soap and water. If skin irritation or rash occurs, get medical attention/advise.

**IF INHALED:** Remove to fresh air and keep at rest in a position comfortable for breathing.

**24-hour Emergency Telephone Number – For advice contact the National Poisons Centre – 0800 POISON (0800 764 766) – or a doctor, immediately. Have product container or label at hand.**

**For specialist advice in an emergency only, call CHEMCALL (24hrs) 0800 243 6225. In a transport emergency dial 111.**

#### CONDITIONS OF SALE:

As no control can be exercised over the manner in which or the conditions under which this product is used, all conditions and warranties expressed or implied, other than those required by statute are excluded. No responsibility will be accepted for any damage or injury whatsoever arising from the storage, handling, application or use of this product.

#### STORAGE & TRANSPORT:

Storage – keep in cool, dry chemical store, out of reach of children and animals. Protect from frost and other climatic extremes (including temperatures exceeding 40°C). Poor water quality may reduce the effectiveness of the product, the solubility of the product and/ or increase the potential for phytotoxic effects on plants. Do not carry more than 10kg on a passenger service vehicle.

#### SAFETY DATA SHEET:

A Safety Data Sheet is available from Grochem or [www.grochem.com](http://www.grochem.com)

#### DISPOSAL:

This product should be disposed of by use in the manner described on the label, or by depositing it in an approved landfill. Dispose of empty packaging by burying in an appropriate landfill.
